Five Southern women, whose friendships began many years ago on their college swim team, set aside a long weekend every August to get together. Free from husbands, kids and jobs, they meet at the same beach cottage on North Carolina's Outer Banks to catch up, laugh and meddle in each others lives.. The show focuses on four of those weekends and spans thirty-three years. Sheree, the team captain, tries to maintain her organized and perfect life and continues to be the group leader. Dinah the wise cracking over achiever is a career dynamo but courtroom achievements are a stark contrast to her personal life. Lexie, pampered and outspoken, is determined to hold onto her looks and youth as long as possible. She enjoys being married over and over and over again. Vernadette, very aware of the dark cloud that hovers over her life has decided to give in and embrace the chaos. Sweet, and eager to please Jeri Neal experiences a late entry into motherhood that takes them all by surprise. As the years pass they often rely on one another and when fate throws a wrench into one of their lives they prove the enduring power of teamwork; taking this comedy in a surprising direction.

The **Dutch Apple Chef** creates a buffet of classic American cuisine that changes with each show. It includes a salad bar, fresh rolls and a hot buffet which may include prime rib, turkey breast, pork tenderloin, rice, pasta, potatoes, vegetables, and over 15 desserts including Turkey Hill ice cream and shoofly pie.
